Issue 10, May 2023

EXCELLENCE BOOST in short...

‘Excellence skill boost for VET teachers, trainers and managers aims to increase the personal, pedagogical competences of VET teachers and trainers to build culture of excellence on their personal and organizational dimension. The project gives essential opportunity for teachers/trainers to develop and maintain their competences (e.g., digital, intellectual communication) to highest standard as well as interconnect and exchange the experience with other professionals from different part of the world, in this case Africa and Europe. The project will deliver a lifelong learning path for VET teachers and trainers so they can understand easier their development carrier path, develop learning /sharing plural for innovative VET school. It will also support the participating organization digital competence, networking, model for international and regional cooperation and innovative on managers.

EXCELLENCE BOOST kick –off meeting...

The kick – off meeting of the project took place on the 23rd and 24th of February 2023 at Dar es Salaam (Tanzania), All partners participated in this first event, introducing themselves and their organizations, starting a brief discussion of the project and the selection of the participant for the trainings in South Africa and Nigeria. The 2nd day was about managerial part of the project and project dissemination. The partners agreed on the next steps and actions to be taken.

The next training will take place in South Africa from 28th of August to 1st of September 2023; every partner will bring 4 participants from its country.

EXCELLENCE BOOST results...

The project results are directly linked to the activities foreseen within the project implementation period:

- Boost the innovative potential in vocational education
- Build personal, transversal & digital competences
- Help networking with other similar thinking organization across Europe and Africa
- Help the educational organizations to create the environment of excellence and become the learning organization
